It further failed to include the Court-ordered disclaimers and shared other misleading information. It had attempted to file claims on behalf of 80 class members. Class Counsel wrote to the Court on March 31, 2025, and sought an Order to Show Cause. ECF 9585. The Court granted the request the same day.

Class Counsel contacted LenCred and the material was taken down. However, because of the serious nature of the problem and the

repeated issues with referral partners of LenCred, Class Counsel alerted the Court to the issue. Subsequently, the Court ordered LenCred to provide additional information. LenCred's submission on April 4, 2025 was found to be lacking in specificity. April 4, 2025 text-entry Order.
